PATENT TRADEMARK OFFICE

As submitted on November 25, 2003 Dr. Johnson's address contained a typo in regard to the identification of the state or country of his residence, identifying it as "New Jerset".

Dr. Johnson has corrected this to correctly read "New Jersey" entering the correction on a copy of the Declaration For Patent Application in blue ink, initialing and dating the correction.

It is believed this satisfies the concerns expressed by the Examiner in a manner discussed with and agreed upon with the Examiner.

If anything more or different is required it is requested that the Examiner contact the undersigned directly by telephone.

Respectfully submitted,
